

## Hard to survive

My life, a mad world  
where it`s hard to survive  
and I fear for my life

oh, oh, oh

ha!

oh, oh, oh

Every day of the week  
my days are dark days  
where the sun never shines

oh, oh, oh

ha!

oh, oh, oh

Hard to survive  
my life is like a dark room

Hard to survive

I cannot see the light

Hard to survive

I try to find the exit

Hard to survive

But I can't win this fight

Hard to survive

Haunted at night  
with demons I fight  
A battle to the core

oh, oh, oh  
ha!  
oh, oh, oh

When I ever get through  
I will be stronger  
Stronger than ever before

oh, oh, oh  
ha!  
oh, oh, oh

Hard to survive  
my life is like a dark room  
Hard to survive  
I cannot see the light  
Hard to survive  
I try to find the exit  
Hard to survive  
But I can't win this fight  
Hard to survive

Solo

Hard to survive

Solo

my life is like a dark room

Hard to survive

I cannot see the light

Hard to survive

I try to find the exit

Hard to survive

But I can't win this fight

Hard to survive

oh, oh, oh

ha!

oh, oh, oh

Hard to survive
