

Dust'n'Bones

I see the lights the streets are burning
Put your hands in the air and stop all turning
A holy vow doesn't bother me
Stand in for all now it counts to break free

Gonna be just a Dust'n'Bones
the only thing that lasts
Gonna be Dust'n'Bones
ahahah
Going the unpleasant path

Dust'n'Bones
I'm the ruler the on a pompous throne
Dust'n'Bones
No one gonna take my diamant crown
Dust'n'Bones
But in the end you're ridin home alone
ahahah

No matter what or who you are
We're standing in a row, standing one for all
With a burning flame inside our hearts
Never give up stand up whenever you fall

Gonna be just a Dust'n'Bones
the only thing that lasts
Gonna be Dust'n'Bones
ahahah
Gonna be fatal blast

Dust'n'Bones
I'm the ruler the on a pompous throne
Dust'n'Bones
No one gonna take my diamant crown
Dust'n'Bones
But in the end you're ridin home alone
ahaha

Solo

Dust'n'Bones
Dust'n'Bones
Dust'n'Bones
Gonna be Dust'n'Bones

Dust'n'Bones
I'm the ruler the on a pompous throne
Dust'n'Bones
No one gonna take my diamant crown
Dust'n'Bones
But in the end you're ridin home alone
ahahah

Dust'n'Bones
